I am authorizing the Financial Aid Office to process my 2023-2024 loans to maximize my opportunity to borrow the maximum Direct Unsubsidized Loan. I am requesting the MAXIMUM Federal Direct Unsubsidized Loan possible for the Summer 2023. I am aware that this will result in unequal disbursements of my loan.

Selecting any one of these options will require you to request a Fall only (08/21 – 12/21) and Spring only (01/22 – 05/22) GradPLUS loan if additional funding is needed.

REMEMBER:

Loans borrowed for the Summer 2023 will deduct from your aggregate eligibility for the upcoming Fall 2023 and Spring 2024. Graduate students needing additional funding to help cover expenses are recommended to apply for a Federal Direct GradPLUS Loan after April 2, 2023 at <https://studentaid.gov>, under “Apply for Aid”.

The Federal Direct Unsubsidized Loan charges a 1.057% fee and GradPLUS Loan charges a 4.228% fee that is deducted at the time of disbursement. Please keep that in mind when deciding on your requested loan amount.

Students must provide the Financial Aid Office with their requested loan amount for Summer 2023. Failure to do so will result in your Federal Direct Loans being disbursed in equal amounts for Summer, Fall and Spring and your loan disbursement may not cover your tuition amount.
