Chosen Name Request Form

Delaware Law School recognizes that some of its students may use first names other than their legal first names to identify themselves. Because of this, the University allows use of a first name different than one's legal first name on college records where it is legally permissible.

Please fill out this form to request to have a chosen first name instead of a legal first name reflected within areas of the University (see the list included for specific areas). Once completed, please return the form to the Registrar's Office. Please note that changing your chosen first name for certain records does not change your legal first name with the University.

Delaware Law School reserves the right to remove a chosen first name if it contains inappropriate or offensive language, or if the name is being used for misrepresentation.
